

\$100,000 + \$100,000 =

Endowed Excellence Fund for the Department of Art.

This means materials, equipment, faculty development, student field trips, guest lecturers & more. To put this into perspective, this endowment would create eight times the funds currently available to the Department annually from private support.

Help the **MSU** Department of Art reach this goal. If we raise \$100,000, then Windgate matches with a gift of \$100,000. **A SWEET DEAL!**

You can call Nathan Moore, *Director of Development for the College of Architecture, Art and Design*, at 662-325-8227 or the Department of Art at 662-325-2970 for more information.

Or if you prefer, we can guide you through the process: visit www.msufoundation.com, choose "Ways to Give" in the gray bar, then "Annual Giving" on the right side bar. Now, at the bottom of the page click "make a gift today". Fill in all of your gift info, then be sure to designate your gift to "College/School/Preferred Area". When the window pops up, type "Art Advancement" or "310204" into the search area, then select "College of Architecture, Art and Design" and "Art Advancement Fund".

VOILA!
