Kiewit Student Competition

All building construction science students will participate in a half-day construction management competition, which will pit their skills and understandings of the following activities and presentations related to a unique project.

- Written Proposal
- Bid Package
- Estimating
- Scheduling

Kiewit, a major, national construction company, will be sponsoring and judging this exciting, challenging project. Awards will be given to the top three teams’ best overall response and best presenter.

Career Fair

The BCS students eagerly want to fill the internship and full-time positions you have available within your organizations.

Each organization participating in the career fair will be provided an 8-foot space, which includes one 6-foot rectangular table and tablecloth. If you require an electrical outlet for your display, please bring an extension cord. WiFi is available at no charge.
