

Creative Windows & Doors/Marvin Windows Traveling Fellowship

2013 Recipient: William “Will” Randolph
spring 2013 graduate, School of Architecture
Hometown: Jackson, Mississippi
Parents: Howard & Evelyn Randolph

“I plan to use the Marvin Windows Traveling Fellowship to see and learn from ancient, classical, and modern (etc.) architecture in Europe. I hope this trip will provide the opportunity for me to continue my exploration in the perceptual possibilities of windows, a study I began in my final year of school.” – Will
